The finest compression wear in the world!™

[WELCOME](#)

[MAIN INDEX](#)

[CONTACT US](#)

Welcome to the World of *Design Veronique*®...

Almost two decades ago, I began designing custom postoperative compression garments for plastic surgeons in the San Francisco Bay Area. It soon became clear to me that these comfortable, innovative designs truly met the ever-changing needs of this unique medical field, and, before long, Design Veronique's distinctive designs were born.

While Design Veronique has evolved from those early days, many things remain the same. We have not sacrificed elegant styling or comfort for functionality. Each style is unique and is inspired by medical advancements in the plastic surgery field as well as from suggestions and feedback from clients around the world.

We have grown — to a larger facility and have launched an extensive website — but we've never compromised our commitment to the importance of each and every client, the value we place on their satisfaction, and our goal to provide our customers around the world with superior products and personalized service.

With this purpose in mind, I am proud to present our most extensive collection of fine compression wear to-date, from our signature brands to over a dozen new products. We've designed this catalog to be comprehensive and easy to use when choosing aesthetic postoperative garments for your clientele. Remember, we share the same objectives: to help every patient look better, feel better, and feel great about themselves — in comfort, and with style.

We look forward to working with you soon!

Sincerely,

A handwritten signature in cursive script that reads "Veronica C. Smith".

Rubenesque Girdles

Rubenesque garments are designed to fit best on women with smaller waists and larger hips, the classic “hour-glass” figure.

The following features are unique to the Rubenesque line:

- Gradient compression technology design
- Breathable powernet fabric that conforms to body shape
 - Latex and formaldehyde-free
 - Zippers with cotton guard tape
 - Reinforced flat seams
 - Reinforced open crotch
 - Inner panels in key surgical areas
 - Gripper lace to prevent rolling-up
- Front adjustable detachable suspenders (R800 series)
 - Most popular colors: Black, White
 - Extensive size range: XS – 4X
 - Completely washable

Recovery Compression Kits™

Innovative Recovery Compression Kits™

One Zippered Garment, One Non-Zippered Garment, plus a Support Brief

Our kit concept is designed for:

1. **Easier Application** – The zippered garment is worn immediately postoperative and is applied on the operating room table. It is designed to reduce the struggle of applying the garment on the patient.
2. **Maximum Comfort Long-Term** – The non-zippered garment is worn within one or two weeks following surgery. It is designed for skin retracting and body contouring and is substantially more comfortable for long-term wear.
3. **Better Hygiene** – With two garments the patient can freely change into a clean garment while the other is laundered. This step provides the patient with continuous compression – essential for comfort and optimum results during the recovery phase.
4. **Labia Support Thong** – Kits include panty for postoperative coverage and patient recovery wear.

Measuring to Determine Sizes

Waist

Measure around the smallest part of the waistline.

Hip/Thigh Area

Stand with both feet together and measure around the fullest part of the hip/thigh area, about 9 to 10 inches below the natural waistline.

Biceps

Measure around the arm at the fullest part of the biceps.

Bust & Chest

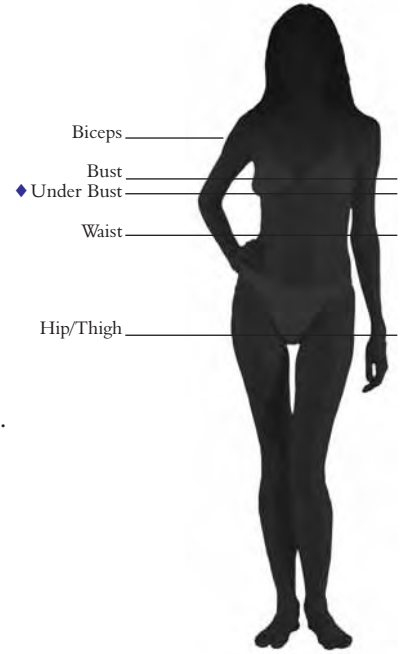

Measure around the fullest part of the bust/chest area while wearing usual undergarments.

◆ Under Bust

Measure around the chest circumference directly under the breast.

◆ Bra Measurements

Before surgery, measure around the chest circumference, directly beneath the breast. This will be the patient’s bra size. Because the Design Veronique® bra is uniquely designed to contour to breast size after surgery, no cup size is required.

Female Sizes

Size	Waist	Hip	Bust	◆ Under Bust	Biceps
XS	21" – 23"	31" – 33"	27" – 29"	25" – 26"	9.50" – 10.25"
S	24" – 26"	34" – 36"	30" – 32"	27" – 30"	10.50" – 11.25"
M	27" – 29"	37" – 39"	33" – 36"	31" – 34"	11.50" – 12.25"
L	30" – 32"	40" – 42"	37" – 40"	35" – 38"	12.50" – 13.25"
XL	33" – 35"	43" – 45"	41" – 44"	39" – 42"	13.50" – 14.25"
XXL	36" – 39"	45" – 48"	45" – 48"	43" – 46"	14.50" – 15.25"
3X	40" – 43"	49" – 52"	49" – 52"	47" – 49"	15.75" – 16.75"
4X	44" – 47"	53" – 56"	53" – 56"	50" – 52"	17.00" – 18.00"

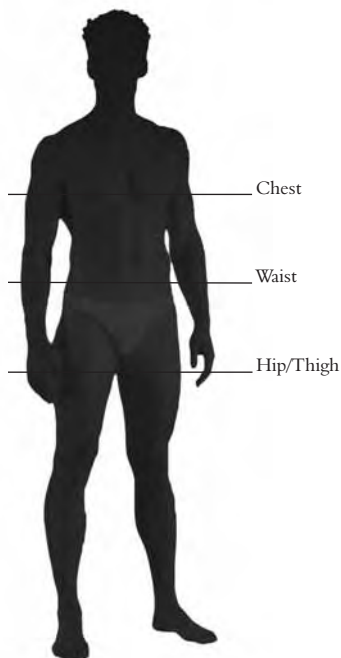

Rubenesque Sizes

Rubenesque garments are designed to best fit women with smaller waists and larger hips, the classic “hour-glass figure.” When fitting for Rubenesque sizing, give special attention to the waist and hip measurements, and match those to the chart at right.

Size	Waist	Hip
XS	18" – 20"	31" – 33"
S	21" – 23"	34" – 36"
M	24" – 26"	37" – 39"
L	27" – 29"	40" – 42"
XL	30" – 32"	43" – 45"
XXL	33" – 36"	45" – 48"
3X	37" – 40"	49" – 52"
4X	41" – 44"	53" – 56"

Custom Garments

If you do not find the size you are looking for, Design Veronique can alter or produce a custom garment for you. Please call us at 800.442.5800 and ask to speak with a Customer Service Representative. You can also email us at: cs@designveronique.com

Male Sizes

Size	Waist	Hip	Chest
S	31" – 33"	36" – 38"	35" – 37"
M	34" – 36"	39" – 41"	38" – 41"
L	37" – 39"	42" – 44"	42" – 45"
XL	40" – 43"	45" – 47"	46" – 49"
XXL	44" – 48"	48" – 51"	50" – 53"
3X	49" – 53"	52" – 55"	54" – 58"
4X	54" – 56"	56" – 59"	59" – 62"

Garment Care

Hand-wash in cold water using a mild fabric wash. Do not use bleach. Rinse thoroughly in cold water and drip-dry. Do not iron. Hot water washing and/or drying with an electric or gas dryer may ruin the garment. To remove blood stains, soak the garment in a solution of 1/4 cup peroxide with 2–3 gallons cool water for 15 minutes, then hand-wash and line-dry. Repeat if necessary. Caution: Do not soak garment in solution longer than 15 minutes.

Return Policy

Design Veronique strives to design and manufacture compression wear of only the highest quality and we guarantee our products 100 percent. If a return is necessary, please note the following return policies and procedures:

1. All returns require a Return Authorization# issued by Design Veronique for processing. Please call 800.442.5800 to obtain an RA#. Credit will not be issued for any garments returned without an RA#.
2. Custom garments or garments with any alterations are not eligible for a return or credit.
3. Design Veronique does not supply shipping for returns; all shipping charges are the responsibility of the purchaser.
4. The amount of credit issued for the items returned is determined by the following factors: condition of the garments (i.e new vs. worn); condition of the original product packaging when received at Design Veronique; length of time from original invoice date; and purchase price.

<u>Time limits for returned garments:</u>	0 to 30 days from invoice date	100%
	31 to 90 days from invoice date	75%
	90+ days from invoice date	0%

100% credit will be issued for garments returned within 30 days of invoice date and in unopened manufacturer's packaging.

75% credit will be issued for garments returned within 30 days from invoice date in manufacturer's packaging which has been opened, and for any garments returned within 31 to 90 days of the invoice date.

0% credit will be issued for any garments returned after 90 days from the invoice date or garments which have been worn, damaged, or mishandled by the purchaser.

5. A credit memo will be issued to the customer following inspection of the garments returned.
